Current Issues in Geriatric Mental Health

February 10, 2016
1 to 3 p.m.
Course Code: T306

Presenter:
LalithKumar K. Solai, MD
Medical Director and Chief of Geriatric Psychiatry Services
University of Pittsburgh Medical Center

Marcia Kollar, CRNP
Clinical Nurse Specialist
Western Psychiatric Institute and Clinic of UPMC

Program Description:
This presentation will review the diagnosis and management of two common geriatric syndromes, both of which present as confusion—delirium and dementia.

Educational Objectives:
At the conclusion of this program, participants should be able to:
• Name cognitive deficits demonstrated in delirium and dementia.
• Describe the most common signs of dementia.
• Describe the DICE approach to assessing behavioral symptoms in dementia.
• Describe pharmacological and nonpharmacological interventions for behavioral disturbances in dementia.

Target Audience:
This is an introductory program intended for physicians, psychologists, social workers, nurses, counselors, therapists and other clinicians working in mental health settings or health care facilities with geriatric patients.

Continuing Education Credits:
- ACT 48 – 2.0
- CADC – 2.0
- CME – 2.0
- CPRP – 2.0
- General CEU – 0.2
- LSW/LCSW/LPC/LMFT – 2.0
- NCC – 2.0
- PCHA – 2.0
- Psychologist – 2.0

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded 0.2 continuing education units (CEUs) which are equal to 2.0 contact hours.

Tuition:
This program is free of charge.

Fayette County Behavioral Health Administration will not be a participating site for this videoconference. Please check here for another site location. Participating Sites
Introduction to Motivational Interviewing

February 24, 2016
1 to 3 p.m.
Course Code: T307

Presenter:
Liz Sysak, PhD
Program Coordinator, re:solve Crisis Network/DEC
Western Psychiatric Institute and Clinic of UPMC

Program Description:
This program will provide an overview of the spirit, strategies, and skills of motivational interviewing (MI) for behavior change.

Educational Objectives:
At the conclusion of this program, participants should be able to:
- Describe the motivational interviewing spirit.
- Identify core strategies of motivational interviewing.
- Examine the use of MI skills in order to increase engagement and reduce discord.

Target Audience:
This is an introductory program. This program is intended for behavioral health professionals including but not limited to mental health professionals, behavioral health workers, drug and alcohol professionals, licensed psychologists, psychiatrists and clinical supervisors.

Continuing Education Credits:

Crisis Intervention

March 9, 2016
1 to 3 p.m.
Course Code: T308

Presenter:
Liz Sysak, PhD
Program Coordinator, re:solve Crisis Network/DEC
Western Psychiatric Institute and Clinic of UPMC

Program Description:
This program will review the various components of crisis as well as Robert’s model of crisis intervention. This presentation will review collaborative crisis responses for individuals and families.

Educational Objectives:
At the conclusion of this program, participants should be able to:
- Describe the concept of crisis intervention.
- Examine the steps in crisis intervention.
- Discuss ways to engage and build rapport with patients in crisis.

Target Audience:
This is an introductory program for physicians, psychologists, social workers, nurses, counselors, therapists and other clinicians or educators working in mental health settings, health care facilities, or schools with children and adolescents.

Continuing Education Credits:

| ACT 48 – 2.0 | CADC – 2.0 | CME – 2.0 |
| CPRP – 2.0 | General CEU – 0.2 | LSW/LCSW/LPC/LMFT – 2.0 |

Mood Dysregulation Disorders in Children and Adolescents

March 23, 2016
1 to 3 p.m.
Course Code: T309

Presenter:
Boris Birmaher, MD
Professor of Psychiatry
Endowed Chair in Early Onset Bipolar Disease
University of Pittsburgh School of Medicine
Director, Child and Adolescent Bipolar Spectrum Services
Western Psychiatric Institute and Clinic of UPMC

Program Description:
The DSM-5 included a new child psychiatric disorder, the Disruptive Mood Dysregulation Disorder (DMDD). This disorder covers a group of children who mainly present with severe temper outbursts and chronic irritability and who sometimes are misdiagnosed with other disorders such as bipolar disorder.

Educational Objectives:
At the conclusion of this program, participants should be able to:

- Review the symptoms, current studies and controversies surrounded the diagnosis of DMDD
- Explain the differential diagnoses of youth with symptoms of DMDD
- Discuss the treatment of youth who present with symptoms of DMDD

Target Audience:
This is an introductory program for physicians, psychologists, social workers, nurses, counselors, therapists and other clinicians or educators working in mental health settings, health care facilities, or schools with children and adolescents.

Mental Illness and Violence

April 13, 2016
1 to 3 p.m.
Course Code: T310

Presenter:
Edward Mulvey, PhD
Professor of Psychiatry
University of Pittsburgh School of Medicine
Western Psychiatric Institute and Clinic of UPMC

Program Description:
The link between mental health disorders and involvement in violence is a reality, although it is often simplified and misrepresented for particular political purposes. There is no doubt, however, the issue of potential violence presents particularly difficult management challenges for clinicians. This presentation provides a background regarding what is actually known about the extent and contours of the relationship between mental health problems and violence and how this information can be applied to clinical practice. The presentation will discuss the necessity to, and the methods for, assessing both an individual's overall likelihood of involvement in violence and fluctuating risk of involvement in violence. Future directions for refining case planning and policy formation will also be highlighted.

Educational Objectives:
At the conclusion of this program, participants should be able to:
- Identify the most relevant patient and situational characteristics to consider when assessing the likelihood of future violence in individuals with mental disorders.
- Describe the difference between assessing risk status and risk state.
- Provide a short list of effective programs for managing violence potential in the community.

Target Audience:
This is an introductory program aimed at behavioral health professionals, including clinicians, psychiatrists, psychologists, nurses, social workers, therapists, counselors, law enforcement representatives, and family and advocacy organization members.

Continuing Education Credits:
| ACT 48 – 2.0 | CADC – 2.0 | CME – 2.0 |
| CPRP – 2.0 | General CEU – 0.2 | LSW/LCSW/LPC/LMFT – 2.0 |

Executive Function: A Neurodevelopmental Perspective

April 27, 2016
1 to 3 p.m.
Course Code: T311

**Presenter:**
Greg Slomka, PhD
Developmental Neuropsychologist
Center for Children and Families
Western Psychiatric Institute and Clinic of UPMC
Former Assistant Professor of Psychiatry
University of Pittsburgh School of Medicine
Former Assistant Professor of Psychiatry
Department of Psychiatry
Allegheny University of the Health Sciences (Now Drexel University)

**Program Description:**
This program will discuss the concept of executive functioning from the perspective of developmental neuropsychology. The neurobiological underpinnings, functional correlates related to adaptive functioning and its relation to neuropsychiatric conditions will be addressed. Methods for its assessment will be reviewed.

**Educational Objectives:**
At the conclusion of this program, participants should be able to:
- Recognize current controversies and theoretical limitations of this construct.
- Differentiate the relative merit of direct and indirect methods of assessment.
- Place the functional correlates of executive functioning in a lifespan developmental perspective.
- Recognize neuropsychiatric conditions in which executive dysfunction may play a role.

**Target Audience:**
This is an introductory program for physicians, psychologists, social workers, nurses, counselors, therapists and other clinicians or educators working in mental health settings, health care facilities, or schools with children and adolescents.

**Continuing Education Credits:**

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 2.0 *AMA PRA Category 1 Credits™*. Each physician should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded 0.2 continuing education units (CEU’s) which are equal to 2.0 contact hours.

**Tuition:**
This program is free of charge.

Fayette County Behavioral Health Administration will not be a participating site for this videoconference. Please check here for another site location. Participating Sites
Continuing Education Credit
Each program is offered for the designated number of continuing education credits

PHYSICIANS: CME
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates these educational activities for a maximum number of AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

EDUCATORS: ACT 48
Western Psychiatric Institute and Clinic is recognized by the Pennsylvania Department of Education to offer continuing education credits under Act 48 guidelines. Western Psychiatric Institute and Clinic adheres to the Act 48 Continuing Education Guidelines.

CERTIFIED ADDICTION COUNSELORS: CADC
Western Psychiatric Institute and Clinic, Office of Education and Regional Programming is certified by the Pennsylvania Chemical Abuse Certification Board (PCACB) to provide Certified Alcohol and Drug Counselor (CADC) continuing education credits for those participants attending the entire program.

CERTIFIED PSYCHIATRIC REHABILITATION PRACTITIONERS: CPRP
The announced credit hours for each program can be applied to your training hours for the Certified Psychiatric Rehabilitation Practitioners (CPRP).

COUNSELORS: NCC
Western Psychiatric Institute and Clinic is an NBCC-Approved Continuing Education Provider (ACEP™) and may offer NBCC-approved clock hours for events that meet NBCC requirements. The ACEP solely is responsible for all aspects of the program.

CERTIFICATE OF ANNUAL ADMINISTRATOR TRAINING – PERSONAL CARE HOME ADMINISTRATORS
The indicated number of clock hours is approved by the Department of Public Welfare Bureau of Adult Residential Licensing. These clock hours may count towards the 24 hours of annual training for administrators required in 55 Pa. Code Chapter 2600 (relating to personal care homes).

PSYCHOLOGISTS
Western Psychiatric Institute and Clinic is approved by the American Psychological Association to offer continuing education for psychologists. Western Psychiatric Institute and Clinic maintains responsibility for these programs and their contents.

LICENSED/CLINICAL SOCIAL WORKERS, LICENSED PROFESSIONAL COUNSELORS, LICENSED MARRIAGE AND FAMILY THERAPISTS: LSW/LCSW/LPC/LMFT
The indicated number of credit hours of social work continuing education is provided through co-sponsorship of the University of Pittsburgh’s School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call (412) 624-3711.

MENTAL HEALTH PROFESSIONALS: CEU
Nurses and other health care professionals are awarded the designated number of Continuing Education Units (CEU). One CEU is equal to 10 contact hours. Nurses: For attendance at this program you will receive a Certificate of Attendance confirming the indicated hours of continuing education. These hours may be considered eligible in completing the 30 hours of continuing education required for bi-annual nursing re-licensure in Pennsylvania. Peer Specialists: This program fulfills requirements for Certified Peer Specialist continuing education.

The University of Pittsburgh, as an educational institution and as an employer, values equality of opportunity, human dignity, and racial/ethnic and cultural diversity. Accordingly, the University prohibits and will not engage in discrimination or harassment on the basis of race, color, religion, national origin, ancestry, sex, age, marital status, familial status, sexual orientation, disability, or status as a disabled veteran or a veteran of the Vietnam era. Further, the University will continue to take affirmative steps to support and advance these values consistent with the University's mission. This policy applies to admissions, employment, access to and treatment in University programs and activities. This is a commitment made by the University and is in accordance with federal, state, and/or local laws and regulations. For information on University equal opportunity and affirmative action programs and complaint/grievance procedures, please contact: William A. Savage, Assistant to the Chancellor and Director of Affirmative Action (and Title IX and 504 Coordinator), Office of Affirmative Action, 901 William Pitt Union, University of Pittsburgh, Pittsburgh, PA 15260, (412) 648-7860.
This registration form may be duplicated as needed.

**PLEASE NOTE:** Pre-registration is required. Please register at least two weeks before the course(s) you plan on attending as space is limited.

Only the continuing education credits listed on the individual program description are available for that program.
