

## Our Caring Corner

Our Caring Corner is an 8 week support group that provides a safe place for grieving children, adolescents, and their families to come together and talk about their memories in an atmosphere of acceptance. It is designed to provide a non-threatening environment of peer support; we offer no therapy or counseling. It is free of charge to families. Our caring corner motto is:

"Lean on me, share your story with me, special friends we will always be".

**Vision Statement:**

We envision a community of support for grieving children, adolescents, and their families.

**Mission Statement:**

Improve the lives of grieving by providing support, education, and community outreach in a world where grief knows no social, economic, racial, or other boundaries.
